URGENT CIRCULAR

THIS IS A CIRCULAR TO ALL THE AFFECTED PERSONS OF VARYMIX NINETEEN (PTY) LTD AND DIXOTIME (PTY) LTD RELATING TO THE CIRCULAR THAT WAS SENT REQUESTING SUPPORT FOR A SPECIFIC LIQUIDATOR

RESPONSE TO CIRCULAR SENT WITHOUT PRACTITIONER'S KNOWLEDGE

The business rescue practitioner wishes to advise all the affected parties of both Varymix Nineteen t/a Domani Builders and Dixotime that he has become aware of a circular that was sent out wherein requests were made for support of a specific liquidator.

Please note that as per the previous communications and commitments by the practitioner, the practitioner does not provide support for and make recommendations as to the appointment of a specific liquidator in any matters. The communication that was sent to the creditors of both entities listed above, was sent without the practitioner's knowledge or consent.

The practitioner would also like to confirm that at no point did he, as the appointed practitioner in the business rescue matters listed above, provide information pertaining to the creditors (such as email addresses) to any external parties. This would be a violation of the various provisions of the POPI Act.

The practitioner again confirms his position in that no support and or recommendation is being made with regards to the appointment of a specific liquidator. Once the formalities have been complied with and the businesses placed into liquidation, ordinary procedures regarding the appointment of a liquidator will follow. It will be up to the creditors of the business to apply their own minds when supplying support to a specific liquidator in either of the matters and the practitioner will not form part of that decision process.
