

SWORN STATEMENT

I, the undersigned

Theodorus Ernst Scheepers
With ID No: 560207 5088 086

do hereby declare as follows:

INTRODUCTION

1. I am an adult male residing at 12 Lynton Road, Sunnyridge, East London, 5201.
2. The facts contained in this affidavit fall within my personal knowledge and I confirm the contents hereof to be true and correct.
3. I am duly authorised to dispose of this affidavit on behalf of Nottinghill Farm CC with registration number 2001 / 024039 / 23 (hereinafter referred to as the Company).
4. I make this affidavit in terms of Section 129 of the Companies Act, 71 of 2008 as amended from time to time (hereinafter referred to as the Act).
5. I am the sole director of the business and act in my capacity as managing director of the business.

RESOLUTION TO COMMENCE WITH BUSINESS RESCUE

6. On the 14th of September 2023, the directors passed a resolution in terms of section 129 (1) of the Act to commence with business rescue proceedings.
7. This affidavit deals with the relevant facts upon which the resolution is founded.

FINANCIAL DISTRESS

8. The company is financially distressed due to the fact that it is reasonably unlikely that it will be able to pay all of its debts as they fall due and payable within the immediately ensuing six months.
9. There has been a moth plague of late that has caused massive damage to the tomato plants and has caused us to lose 2 entire harvests causing a major cash flow problem.

10. Furthermore, there have been excessive winds in the area that have done extensive damage to the plastic housing of the hydroponic farming tunnels which caused unexpected costs to repair and also further loss and damage of tomato plants.

REASONABLE PROSPECT OF BUSINESS RESCUE

11. The business can restructure its affairs and business operations to allow for a more profitable business. various safeguards will also be put in place that protect the income of the business against future, uncertain events.

12. I am of the opinion that if the management and the business rescue practitioners are afforded time to restructure its affairs, business and liabilities and implement plans to increase revenue and decrease its costs, the Company has a reasonable prospect of being rescued.

13. Alternatively, the business rescue process will provide a better outcome than immediate and traditional liquidation in terms of Section 128(b)(iii) of the Companies Act by undergoing a structured winding down process.

THUS, DONE AND MADE ON THE 14th DAY OF SEPTEMBER 2023.
